REVIEW OF OPERATIONS

The profit (loss) of the company for the financial year after providing for income tax amounted to \$18,343.

A review of the operations of the company during the financial year and the results of those operations found that an increase in gaming revenue of \$57,172, and a decrease in the bar trading of \$19,543, was offset by an increase in Government assistance in the form of Job Keeper and the Cash Flow Boost of \$43,706 resulting in the profit of the company increasing \$34,672 over the 12 months.

SIGNIFICANT CHANGES IN THE STATE OF AFFAIRS

The following significant changes in the state of affairs of the Company occurred during the financial year.

The break out of the COVID 19 virus, the community's response to the break out and associated government regulations in March 2020 and then again in June 2021 have significantly affected the Company's operations. The main operations of the Company being the operation of a licensed Club were shut down by government regulations from June 2021 to October 2021.

FUTURE DEVELOPMENTS AND RESULTS

The ongoing disruptions caused by the COVID 19 virus will continue to have an effect on the operations of the Company and future financial results. The ongoing effects are unknown as at the date of this financial report.

DIRECTORS' REPORT

PRINCIPAL ACTIVITIES

The company's principal activities during the year were:

The operations of a licensed club including food, drink and recreational and leisure activities.

The only significant change during the year was the forced closure of registered Club's in June 2021 by order of the Federal Government.

The above activities have assisted the company in achieving its objectives.

SHORT & LONG TERM OBJECTIVES & STRATGEY

The company's short and long term objectives are:

- To operate in a manner consistent with a registered club.
- Improve profitability and efficiency of club operations.
- Encourage new membership.
- Improve club facilities.
- To continue to offer these services.

The company's strategy for achieving these objectives includes:

- The provision of services including food and drink, leisure and recreational services.
- Attempt to attract new members through improving the ambience of the premises.
- To continually review and upgrade the facilities of the Club.

PERFORMANCE MEASURES

The company measures performance through the analysis of its financial position and operations. The company's financial system tracks and records assets, liabilities, revenues and expenditure and reviews these amounts on a monthly basis in order to assess the key areas of the company and its operations thereof.

A comparison of key performance indicators are as follows:

	2021	2020
Net financial gain (loss)	18,343	(16,329)
Total Assets	2,391,629	2,389,775

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

For the year ended 30 June 2021

The financial report covers Rockdale Businessmen's Club Limited as in individual entity. Rockdale Businessmen's Club Limited is a Company limited by guarantee, incorporated and domiciled in Australia. It is registered with the Australian Business Register – Australian Business Number 87 050 058 118 and is registered for Goods & Services Tax purposes. The registered office and principal place of business of the company is 34 Bay Street Rockdale NSW 2216.

The functional and presentation currency of Rockdale Businessmen's Club Limited is Australian dollars.

The financial report was authorised for issue by the Directors on 20 November 2021.

Comparatives are consistent with prior years, unless otherwise stated.

1. BASIS OF PREPARATION

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards – Reduced Disclosure Requirements and the *Corporations Act 2001*.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Income Tax

Based upon the provisions of the Income Tax Act the company is liable for income tax only on the proportion of other net income deemed to be derived from the activities of non members based on a formula based on attendance surveys.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

For the year ended 30 June 2021

(b) Revenue and other income

Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Company expects to receive in exchange for those goods or services. Revenue is recognised by applying a five-step model as follows:

- 1. Identify the contract with the customer
- 2. Identify the performance obligations
- 3. Determine the transaction price
- 4. Allocate the transaction price to the performance obligations
- 5. Recognise revenue as and when control of the performance obligations is transferred

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Company have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

Specific revenue streams

The revenue recognition policies for the principal revenue streams of the Company are:

Sales revenue

Sales revenue includes bar sales, poker machine income and keno income. All of the services and goods for these revenue items are provided to customers at the time of the sale and income is accounted for at that time. If deposits are held for any of these revenue items a liability is booked until the service or goods have been provided to the customer and then for as income.

Membership Income

Membership income is received in advance for the period of membership paid for.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

For the year ended 30 June 2021

Other Income

Other income is recognised on an accruals basis when the Company is entitled to it.

(c) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST except where the amount of GST incurred is not recoverable from the Australian Taxation Office. Receivables and payables are recognised inclusive of GST. Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(d) Inventories

Inventories are measured at the lower of cost and net realisable value.

(e) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated, less, where applicable, accumulated depreciation and any impairment losses.

Property

Investment properties are measured initially at cost, including costs. The carrying amount includes the cost of replacing part of an existing investment property at the time that is incurred if the recognition criteria are met, and excludes the costs of day-to-day servicing of an investment property.

Freehold land and buildings are measured initially at cost, including transaction costs.

Plant and Equipment

Plant and equipment are measured on the cost basis less accumulated depreciation.

The carrying amount of plant and equipment is reviewed annually by the director to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

The cost of fixed assets constructed within the Company includes the materials, direct labour, borrowing costs and an appropriate proportion of fixed and variable overheads.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

For the year ended 30 June 2021

Depreciation

Items of property, plant and equipment (other than land) are depreciated over their useful lives to the company commencing from the time the asset is held ready for use. Depreciation is calculated with a combination of straight line and diminishing value basis over the expected useful economic lives of the assets as follows:

	2021	2020
	% pa	% pa
Plant, furniture & fittings	2.5 - 50	2.5 - 50
Furniture & fittings – Huskisson	16.67 - 50	16.67 - 50
Air Conditioning	20	20
Poker machines	28.57	28.57
Keno equipment & furniture	20 - 40	20 - 40

Impairment

The carrying values of plant and equipment are reviewed for impairment at each reporting date, with recoverable amount being estimated when events or changes in circumstances indicate that the carrying value be impaired.

The recoverable amount of plant and equipment is the higher of fair value less costs to sell and value in use. Depreciated replacement cost is used to determine value in use. Depreciated replacement cost is the current replacement cost of an item of plant and equipment less, where applicable, accumulated depreciation to date, calculated on the basis of such cost.

Impairment exists when the carrying value of an asset exceeds its estimated recoverable amount. The asset is then written down to its recoverable amount.

For plant and equipment, impairment losses are recognised in the statement of income.

Impairment

The freehold land and buildings at 32 Bay Street Rockdale NSW 2216 and 19 Currambene Street Huskisson NSW 2540 were independently valued by W Herrmann Real Estate Pty Ltd. The valuation was based on the fair value less cost of disposal. The critical assumptions adopted in determining the valuation included the location of the land and buildings and recent sales data for similar properties. The valuer determined that the estimated range of sale for the Rockdale property was between \$2.8M and \$3.2M and the Huskisson property was between \$1.6M and \$1.8M.

(f) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to insignificant risk of change in value.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

For the year ended 30 June 2020

(g) Employee Benefits

Provision is made for the liability due to employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year together with benefits arising from wages and salaries, sick leave and annual leave which will be settled after one year, have been measured at their nominal amount. Other employee benefits payable later that one year have been measured at the present value of the estimate future cash outflows to be made for those benefits.

Contributions are made to employee superannuation funds and are charged as expenses when incurred. All employees are entitled to varying levels of benefits on retirement, disability or death. The superannuation plans or equivalent provide accumulated benefits. Contributions are made in accordance with the statutory requirements of each jurisdiction.

(h) Provisions

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(i) Critical Accounting Estimates and Judgements

The directors make estimates and judgements during the preparation of the financial statements regarding assumptions about current and future events affecting transactions and balances. These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates. There are no significant estimates and judgements which would have a significant effect on the financial statements.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ROCKDALE BUSINESSMENS CLUB LIMITED

Opinion

We have audited the accompanying financial report of Rockdale Businessmen's Club Limited which comprises the statement of financial position as at 30th June 2021 and the statement of income, statement of changes in funds and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the director's declaration.

In our opinion the financial report of Rockdale Businessmen's Club Limited is in accordance with the Corporations Act 2001 including:

- (a) giving a true and fair view of the state of affairs of the company's financial position as at 30th June 2021 and of its performance for the year ended on that date; and
- (b) Complying with Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Regulations 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities of the Financial Report* section of our report. We are independent of the company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

The restrictions relating to the COVID 19 virus since 23 March 2020 and then further again on 25 June 2021 have had a significant effect on the Company's operations. The financial results for the financial year ended 30 June 2021 have been significantly affected by "one off" items including JobKeeper income and ATO Cash Flow Boost income. The ongoing financial effect of the COVID 19 virus is unknown and if needed it is not known whether government backing would continue as it has in 2021. The financial report has been prepared on the basis that the Company is a going concern however due to the uncertainty of the effects of the ongoing COVID 19 virus disruptions the future financial viability of the Company may be significantly affected.

INDEPENDENT AUDITORS' REPORT TO MEMBERS

Other Information

The directors are responsible for the other information. The other information comprises the information includes in the company's annual report for the year ended 30 June 2021, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Directors for the Financial Report

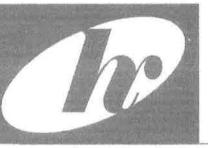

The directors of the company are responsible for the preparation of a financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibility for the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

INDEPENDENT AUDITORS' REPORT TO MEMBERS

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis of our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion.
- forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
